

# ROAD TO Recovery

Dear Partners and Friends of Red Tulip;

Red Tulip Project wants to thank you for your continued support. This will be the **10th Annual Fundraiser!**

This year, our fundraiser will be **September 19, 2026, at Schoolyard Studio, 14510 N. Cheshire St. Burton, OH 44021 from 5:00 P.M. to 9:00 P.M.**

Our Monarch Meadow home goals for tenants has remained consistent, and include:

- Further education
- Employment stability
- Career changes and new certifications
- Debt reduction
- Financial stability
- Fulfilling legal obligations
- Nutrition & exercise focus
- Independent living
- Building recovery support
- Volunteering

Our Red Tulip Beyond programs—Life Recovery Outreach (with Horizons Christian Assembly) and Wellness and Recovery (in partnership with the YMCA of Greater Cleveland, Geauga Branch)—continue to grow as new research and best practices strengthen our peer-support model. At Monarch Meadow and in our Beyond programs, we serve hundreds of men and women by offering peer support, safe environments, stigma-reducing community engagement, and healthy, positive experiences.

This work is only possible because of our exceptional team. Our House Manager and Peer Support Specialists consistently support our tenants while expanding their knowledge of the complex challenges faced by people in recovery. Their positions are funded through a Federal Opioid Response Grant, administered by the State and our Geauga County MHRS Board, as well as through donors and participants like YOU.

This year, our Sponsorship Goal is \$60,000—representing 50% of our annual operating budget. Please review the attached sponsorship opportunities and consider partnering with us once again to bring hope and healing to those impacted by addiction.

***Laura Christian, President***

Red Tulip Project of Geauga

***Thank you for your generous support!***

***Sponsorships and related program materials are due by September 4, 2026***
